- **Email** will serve as our primary form of communication during camp. We will send updates and reminders throughout the week. Please check your emails each evening.
- Staff is not responsible for campers dropped off earlier than 8:00 a.m. Monday through Thursday.
- We will take many water breaks throughout the day and we encourage all campers to take additional breaks as needed. Please remind your child to drink plenty of water in the evening as well as during camp.
- Sunscreen should be applied before camp each day. Staff is not responsible for sunburns.
- **IMPORTANT!** Let the staff know if there is a problem. We stress to campers that they are responsible for letting the staff know when problems arise. This is particularly important to having a successful week of camp. We are not able to help if we are not told. We want all campers to have a great week and communication is very important!
